VISION

To provide a launching point for youth into a lifetime involvement of SERVING JESUS through missions and ministry by connecting them with the mission field of TODAY!

MISSION

To challenge middle and high school aged students, to give their lives to the proclaiming of the gospel by living an Acts 1:8 lifestyle.

Featured Workshop Tracks

APOLOGETICS: Students are constantly being exposed to ideas that challenge and contradict the Gospel. A part of joining God's mission is developing a heart and mind to provide a clear, yet civil defense of the truthfulness of your faith to the people God puts in your life.

CULTURAL ENGAGEMENT: Contemporary world issues in missions. (Workshops: Mental Health, Race, Addiction, Homeschoolers subculture categories)

GLOBAL MISSIONS: Learn what God is doing all around the world through His people, and how you can be involved in reaching people with the Gospel of Jesus.

JUSTICE, ARTS, AND MISSIONS: Discover how the Mission of God intersects with His heart for intentional, creative and just ways to engage culture with grace and truth.

THE MIDDLE SCHOOL MISSIONARY: This workshop track is specifically designed for middle school students. Come and learn about what God is doing both locally and internationally, and how middle school students can be involved in sharing the Gospel TODAY!

REACHING YOUR FRIENDS: You have a mission field around you every day with your friends who don't know Jesus. Learn how to join the Holy Spirit in what he is doing by having honest conversations about faith, become a listening friend who doesn't judge, and create space for your friends to experience the work of Christ.

PREPARED TO GO: Get an idea of the practical skills, personal habits and spiritual disciplines to begin developing as you discern going on the mission field for a short or long-term period of service.

URBAN CORE MISSIONS/MINISTRY: God has a heart for the city, do you? Come and hear stories of how God is at work, how to partner with communities in urban spaces and the motivation Christians have for hope as we work in urban ministry.
